

WORLD MISSION MARATHON!

Disciples of Christ!

We are appealing to serious heart-servants to spend a year with us on the mission field of the world! Join us next year for an incredible 45 days of plowing on three continents and two islands of the world. Your continued work in 2018 will help us further reach those who don't know Jesus Christ! The travel begins in the continent of Africa (April) and move into the US homeland – Dothan (June) Alabama. Next, be a Christ change agent in the Caribbean countries of Jamaica (July) and Haiti (August). Lastly, embark on a journey experience to the country of India (September).

All 5 Mission Trips combined cost \$8,960. However, if you commit by 02/01/2018, you'll receive a **20% discount** – bringing your real total of **\$7,168!!** Pray and ask God to prepare you for a glorious time in 2018!

We're calling you out of your comfort zone and giving you exposure to what God is doing in the world before you maintain and embrace more of the American dream. Because it's not about you, it's about the Kingdom.
